PROFILE

Motivated and detail-oriented BCA graduate with a strong foundation in web development, programming, and database management. Through academic training and hands-on projects, I've developed the ability to design and implement efficient, user-friendly web applications using technologies like HTML, CSS, JavaScript, PHP, and MySQL.

I thrive in collaborative environments where I can contribute to building scalable solutions and continuously enhance user experiences. Known for being a quick learner and a creative problem-solver, I bring a positive attitude and a growth mindset to every project.

Eager to begin my career in the tech industry, I'm excited to join teams that value clean code, innovation, and real-world impact, and to grow into a skilled Full Stack Developer through meaningful, hands-on experience.
